MILLION GOES UP IN SMOKE.
Associated Press, Morning Service.
PHILADELPHIA, Pa., May 24.—One of the largest warehouses in the city was destroyed by fire today, with a loss of a million of dollars.**MAY HAVE TO TRY
THE CASE ALL OVER**ALLEGED DISQUALIFICATION OF
A JUROR IN THE SUIT OF LUCY
K. PEABODY VS. BISHOP ESTATE.

The case of L. K. Peabody vs. the Bishop Estate, which occupied thirteen days before Judge De Bolt and a jury, may have to be tried again on account of the alleged disqualification of one of the jurors, Harry Saylor. Saylor was excused by Judge De Bolt in the case of the Territory vs. Wilson on the ground that he had lost his Hawaiian citizenship by going to California and registering there to vote in the last election. Saylor was excused for the term on this ground.

The Peabody case involves title to land in Manoa valley. After thirteen days of taking of testimony Judge De Bolt instructed a verdict for the defense.

**TWO BASEBALL
SURPRISES**ELKS AND MAILE ILIMAS TEAMS
ARE DEFEATED IN SATURDAY'S
CONTESTS.

The Kamehamehas won from the Mailes and the Punahous defeated the Elks in Saturday's games at Punahou. There was another large crowd at the game, and plenty of interest was shown. The lively start the season made on the previous Saturday had aroused much feeling.

Both the results were a surprise. The Elks thought they were winners and so did many people who are not Elks, and there was money up on the games. The Mailes had been reported to be much strengthened, and a Maile victory was looked for. The play was lively and gave the crowd plenty of excitement. The scores were as follows:

ELKS VS. WISCONSIN.
A game of baseball is being arranged between the Elks team and the team on the battleship Wisconsin, and it is thought that such a contest would be quite an event of the season. The battleship nine is reported to be a very strong one and the Elks have signified a wish to have a contest some afternoon this week.

**DEATH OF WELL
KNOWN KAMAIAINA**ADAM PETRIE, A NATIVE OF CAN-
ADA, DIES EARLY THIS MORN-
ING, AGED 70 YEARS.

Adam Petrie, a kamaiaina, well and favorably known throughout the islands, died early this morning at his residence on Beretania street. He had been in ill health for two or three years, but the illness to which he finally succumbed attacked him about four weeks ago.

Adam Petrie was born in Newcastle, Canada, 20 years ago. He was a master carpenter by occupation, but had been engaged in mining in the Northwest territory, and resided for a short time in San Francisco before coming here in 1873.

After his arrival here his constructive ability led to his employment in the erection of a number of the most important plantation mills in the islands.

He leaves a widow and three children, two sons, T. H. and Lester Petrie, and Mrs. Alice Boyden.

He was one of the early members of Morse Lodge, No. 175, I. O. O. F., of San Francisco, and his funeral will be under the auspices of that order. It will be held from Harmony Lodge at 3:30 o'clock tomorrow afternoon and will be conducted by the officers of the lodge. The interment will be in Nuanu cemetery.

YORKTOWN SAILED YESTERDAY.
The U. S. S. Yorktown sailed for San Francisco and Mare Island yesterday. She went out about noon. She will take about nine days in which to make the trip.FINISHED GRINDING.

POLO PRACTICE.
There was good polo practice at Kapiolani park Saturday afternoon. A team captained by Walter Dillingham and including Robert Atkinson, George P. Dennison, and W. N. Prouty, Jr., of Hilo, called the railroad team, defeated a team captained by S. E. Damon and which included at various stages of the game Judd, Dole, Potter, Castle and Ballou.

CHANGE FROM COAL TO OIL.
The Honolulu Rapid Transit and Land Company has put in the necessary appliances and changed from coal to oil as fuel for its power house. It is expected that this will effect a saving of twenty dollars a day.

ELECTRIC PUMPING PLANT.
The electric pumping and power plant with water as the motive power has been installed on the plantation of the Pioneer Mill company at Lahaina. The power is generated by a Pelton water-wheel operated by a fall with a capacity of 4,000,000 gallons in twenty-four hours and a pressure equal to a fall of 565 feet. The waterwheel is connected by shafting with a generator of 6,500 volts. The electric current is transmitted five and a half miles by three wires to a pumping plant with a capacity of 10,000,000 gallons a day lifted 110 feet.

KAHULUI BOAT RACE.
WAILUKU, May 23.—Visitors at Kahului last Sunday morning witnessed a very beautiful and exciting boat race between the Kahului Railroad Company's boat Kaupu, captained by Petersen, and the Galilee, with Pilot English at the tiller. It was an ideal day for the race, although the breeze was rather light at times for the Kaupu, which with a capful or so more of wind would have made a closer race. The flag boat was anchored about two miles out, and the course lay from the wharf around the buoys, thence out around the flag boat and back along the same course to the wharf. Both boats shot across the line and swung out around the buoys to an even start at 10:35. Like two great white sea birds the two boats sped around the buoys and out to sea, the Kaupu leading and rounding the flag boat at 10:47:11, the Galilee rounding it at 10:47:39. Then started an exciting race homeward, during which the Galilee picked up the Kaupu and crossed the home line at 10:56:1, followed by the Kaupu at 10:56:5, five seconds behind, the time being 21 min. and 1 sec. and the distance sailed being over four miles. Another race is on tomorrow morning, weather permitting.
